Shifting all your utilities to your new address is now as easy as...

1

Complete a move request form: Select the utilities you want connected and give us a few details about yourself and your new address.

2

Submit your application: Give your request form to your property manager or real estate agent.

3

Wait for the call: A professional Movologist will give you a call to discuss the plans and services available at your new property, and set you up. For FREE.

By partnering with one of New Zealand's most expert moving specialists, we make choosing the services you and your family need easy.
